  - Beginning of year assessments
    - NY State Exam ELA Data- 63% Proficiency Overall
  - Grade Specific Performance:
    - Grade 3: 52% Proficient
    - Grade 4: 80% Proficient
    - Grade 5: 59% Proficient
  - Grade 1 and Grade 4 lower proficiency levels.
    - Grade 1 has 60% of students who are below level in “Phoneme Segmentation Fluency.”
  - New York State Exam data indicates lower proficiency levels in specific populations (Black, Economically Disadvantaged, ENL, SPED) as compared to white students and those not economically disadvantaged.
- Interventions and Tutoring Recap
  - Strategic Reading Period: Grades 3-5
  - 25 students participate in an intervention period using the Phonics for Reading curriculum, 3 times per week. (Mon/Wed/Friday)
  - Phonics based program intended for older elementary students.
  - Teachers re-group students across grades and vertically according to instructional levels.
  - Classroom teachers and/or support staff push into classrooms and teach small groups of students
  - At grade level or above grade level work independently in book clubs or independent reading.
- Targeted After School Support
  - 62 students currently attending
  - Classroom teachers conducting small group tutoring Wed/Thurs/Friday in collaboration with Lola & Kids
  - Teachers are using Foundations or Heggerty (Research based literacy programs).
- Reading Partners
  - 30 students participating from Grades K-5
  - Pivoted to fully in person tutoring this year
  - Targeting up to 50 students, including some pre-k participation.
- Amira Reading Program
  - Amira's AI utilizes assessment, instruction and practice to help students become skilled readers.
  - The program is adaptive, adjusts to the child's reading level and needs.
  - Individually implemented in the computer lab.
  - This will help provide additional intervention for students at all grade levels.

- Break-out groups questions/wonderings:
  - What is the process for students being selected for after school academic programs?
  - How are parents notified?
  - The ELA sub groups - are those numbers in the city/state/nation groupings?
  - Parent communications about assessments/testing - explanation and context - schoolwide standard for that? So parents can support at home where needed and understand
  - Is there a mid-year assessment to check on our goals? Yes, January we look at incremental growth.
  - Parent workshop about the screeners, request forms, printed out for students below and well below
  - Should we increase tutoring in the spring?
- Next meeting: unpacking the survey or splitting the time between survey results and math goal
