

Dear Parents/Guardians,

Welcome back to school 3rd Grade! I am so excited for this upcoming school year 2021-2022! I hope you and your family had a wonderful, restful, and fun summer vacation.

We will continue with the Teachers College curriculum for Reading and Writing and the TC Running Records to assess reading levels. It is the school wide goal that our students raise their reading levels at least four levels by June. I know this can be accomplished and more. For Mathematics, we will be using Eureka Math.

I will be sending updates and notices home via Konstella. Please take a moment to sign up for Konstella if you have not already. Konstella will allow us to communicate daily, provides updates from the school and our principal and keep you updated on your child's progress. The date for open school night for parents and families will be determined.

Finally, I have included here a **suggested** supply list for the year. Please send your supplies to school by Monday, September 20th, 2021. Thank you!

I can be reached by email as well at ARamirez41@schools.nyc.gov

I look forward to an awesome and productive school year!

Kind Regards,
Ms. Ramirez
