Items in bold should be brought in during the first week of school, and the remaining supplies can be brought at any time during the first month of the school year.

In addition, we love using natural and found materials in the classroom. Feel free to bring in any that you or your child collects – leaves, bark, sticks, pinecones, shells, etc. Bottle-caps, small boxes or cartons, fabric, and other recyclable materials are also much appreciated for our Loose Parts center.

Thank you so much!
